## The Art of Charm: Stock Banter Lines

All right fellas, as promised, here's a quick and dirty cheat-sheet of some of the banter that we use to spice up interactions. It's more or less written for personal use, and the context for use of many of what follows might be unclear. That said, there are a few gems in here that you can take off with right out of the box. All you'll be aiming to do here is use a few to get the idea of what role banter plays in your interactions with other people, especially women, and to gauge their reactions. Now, go out there and meet some women!

If some of this looks confusing to you, and you can't figure out how or when you'd use it, then check out these audio episodes of the PickUp Podcast, totally dedicated to banter and flirting. As always, they're free, and you'll dig them or your money back ;)

# PICKUP PODCAST

WHERE GURUS GATHER

- You can be the president of my fan club. You'll follow me around and have me autograph every picture you take of me.
- I'm not that kind of guy, okay?
- Don't get your hopes up. I'm not easy.
- I hate you. We are so over; I called you 3 o'clock in the morning last night and left 9 messages. I can't believe you treat me like this.
- C'mon let's play.
- You are taking this way too seriously.
- You're messing it all up. You're back to square one with me, missy.
- That's it. You lost me. I'm not talking to you for two minutes.
- Let's play a game. Let's see how long you can hold your breath.
- Where's your off button?
- Let's see if you've got game. Try and pick me up.
- You're cool. You can help me pick up chicks.
- That's it. We're broken up/divorced. I want half of my shit. Thank God for pre-nups.
- If that were true you wouldn't love me.
- You're dead to me.
- I still love you. Like a little sister. You're adorable but annoying.
- You're such a bad girl. You're going to get us arrested. Lucky for you, I look cute in stripes.
- Now you're just making stuff up as you go along.
- Hey, is everyone having a good time tonight? Is everyone having fun?
- Alright, Okay. Check you out.
- I didn't mean to do this in front of your friends but we're through.

- Let's find you a man.
- You can't just talk to a random person, that's weird!
- Welcome to (Bar Name). Glad you made it.
- You aren't trying hard enough to take me home.
- I caught you! You were totally staring at my package.
- Won't you stop staring at my tits.
- I'm so attracted to you in a totally non-sexual way.

**If she drops/spills/etc. something:**

- See... This is why we can't have nice things.
- It's ok, you don't have to be nervous.
- Relax. You're going to hurt yourself.
- It's a good thing you're pretty.

**If she says something ridiculous:**

- What is this, open mic night?
- Clearly, your boyfriend isn't spanking you enough.
- Are you at least rich?
- You're fucking up my Fung Shui (whenever she touches or moves your property)
- Did you come over here just to flirt with me?
- Are you always like this, or just with guys you're attracted to?
- You better be getting back to your friends before they realize you're over here flirting with me.
- You know, you're a cool/good/nice girl, despite what everyone else says about you.
- Looks like someone put their cranky pants on this morning.
- OMG, saucer of milk, table two

- Stop looking at me like a fat kid looks at a cheese burger
- This is a great spot for me, I'm really well-lit.
- Something smells great in here. Oh, it's me.
- Are you drunk or are you usually like this?
- Is she always like this?
- You guys are like the spice girls. You're like \_\_\_ spice, and you're \_\_\_ spice.
- I used to be too modest, but I worked at it and now I'm perfect.
- It's like Oprah/The View in here.
- You're such a brat!
- You're a shy girl aren't you? You guys gotta get her out more.
- I'm going to take you home in my little pocket and ask my roomies if I can keep you. Wait, are you housebroken?
- You usually hang out at the library don't you?
- Dork. I'm going to get you one of those little hats with a propeller on it.
- If she drops something: "It's ok, you don't have to be nervous". Offering them a sippy cup if they spill their drink is fun, or asking the bartender for one for her.
- Don't make me get the bible out.
- ...now you're just talking while you're trying to think of something to say...
- If I wasn't gay, we would have such beautiful children. Seriously, imagine how cute our kids would be.
- If she does something stupid: "Welp, it's a good thing you're cute."
- When I beat them at thumb-wars... "OMG you SUCK at this, but you can cook right?"
- Which one of you guys would win in a fight?

- What else do you like about me?
- I'm so out of your league.
- Let's play a game. Let's see how long you can hold your breath.
- You're back to square one with me, missy.
- You're so outside the circle of trust.
- You're such a player.
- Your ex-boyfriend sounds just like me.
